

AFFORDABLE FAIR SINGAPORE

SINGAPORE

9-12 NOVEMBER 2023

In the iconic F1 Pit Building in the Marina Bay area.

As you know, international fairs are important in an artist's career. This is the reason why Multi Art Gallery Monaco organizes two to three exhibitions a year and always in major fairs.

This year after the World Art Dubai in March, we have chosen to fly to Singapore to participate in the 16th edition of the Affordable Art Fair from November 9th to 12th, 2023. The Affordable Art Fair in Singapore is an unmissable event that attracts many professionals and collectors. The 2022 fair welcomed more than 15,000 visitors and generated \$4.5 million in art sales.

For this 16th edition, the organizers have made a rigorous selection of 80 local and international, emerging and established exhibitors.
