Painters, sculptors, photographers, and other visual artists come together under this banner at events that feature both established international artists and promising emerging artists.

Multi Art Events is also a network of private collectors and international art enthusiasts who follow Wendy Lauwers as much out of friendship as out of respect for this passionate curator's discerning eye. In just a few years, she has successfully established the Multi Art Events style and signature in Monaco and throughout the French Riviera, before going on to organize events in Paris and internationally.

Nice-Matin describes Multi Art Events' exhibitions on the French Riviera as "of Fresh Art" due to their delightful blend of genres and the dynamism of these exhibitions featuring international artists, all presented in a setting that is at once warm, elegant, and skillfully designed to highlight the artists' messages.

MULTI ART GALLERY

Wendy Lauwers wanted to rethink the concept of the traditional art gallery by adapting it to today's expectations. Multi Art Gallery is an online contemporary art gallery that offers its artists and collectors the same services as a traditional gallery. Multi Art Gallery represents contemporary artists from around the world, each of whom is a leading figure in their own artistic discipline (painters, sculptors, photographers, designers, etc.). This virtual gallery also supports special events held from time to time in exceptional venues. Many of Multi Art Gallery's artists have been with us for years and honor us with their trust.
